AFFORDABLE WARMTH ADVISOR

Salary: £19,613 to £21,121 37 hrs per week – Fixed term to March 2021

This is an exciting opportunity for a suitably experienced person to make a real difference to the lives of vulnerable, lonely and isolated people over 50 in Middlesbrough, through the provision of home energy efficiency advice and support.

You will provide general home energy efficiency advice to people over 50 in a range of venues including people's homes, community venues and public events. Adopting a holistic approach, you will engage with people over 50 to identify any additional factors that might impact on their loneliness and isolation. In addition, you will provide training to front-line staff and community organisations, with a focus on engaging the health & social care sector. Raising awareness of the issue of fuel poverty and making them aware of how to make referrals for help.

With previous experience of providing one-to-one advice and delivering training in community settings, you will be person focussed with a commitment to delivering excellent person-centred service. Previous experience in home energy advice is desirable but not essential as appropriate training can be provided.

If you feel that you have the skills and attributes for this position, then we would like to hear from you. For further details and an application form please contact Middlesbrough Environment City on 01642 579820 or email info@mencity.org.uk. The programme is funded by the National Lottery through the National Lottery Community Fund.

Closing Date: 5pm Wednesday 22nd May 2019
